

# Prepared for Rain

*They warned Leo about the legendary forest downpours, but he believed true survivalists were always one step ahead.*

"Leo: "Fear not, wild nature! My ironclad preparation shall withstand whatever meager drizzle you throw my way!""

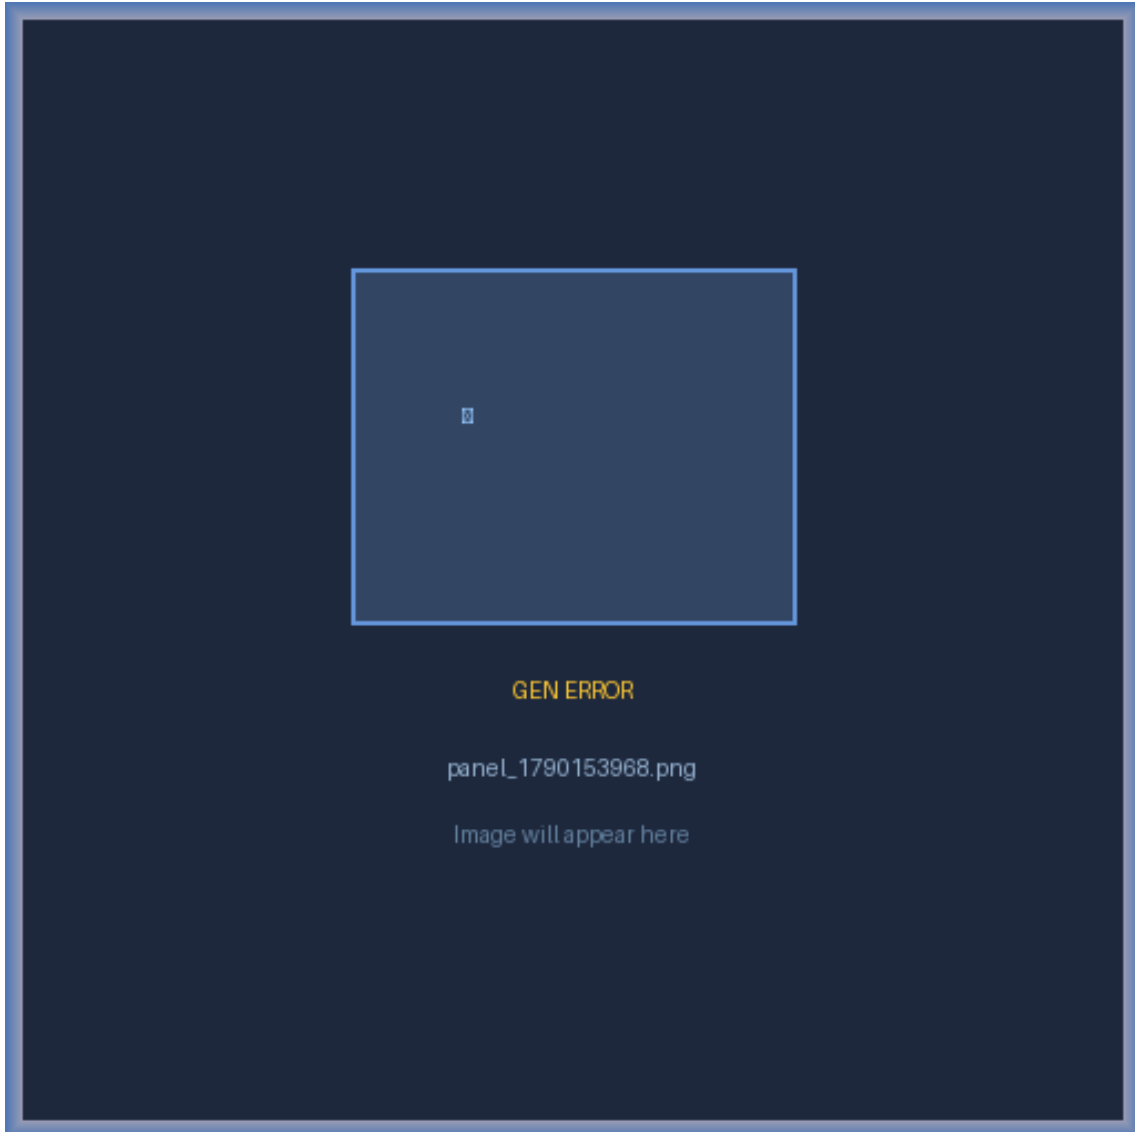

# The Torrent Begins

*Nature took that personally.*

"Leo: "GYAAAAAAHHH?! MY TACTICAL MINI-UMBRELLA! IT'S CRUMBLING UNDER THE PRESSURE!""

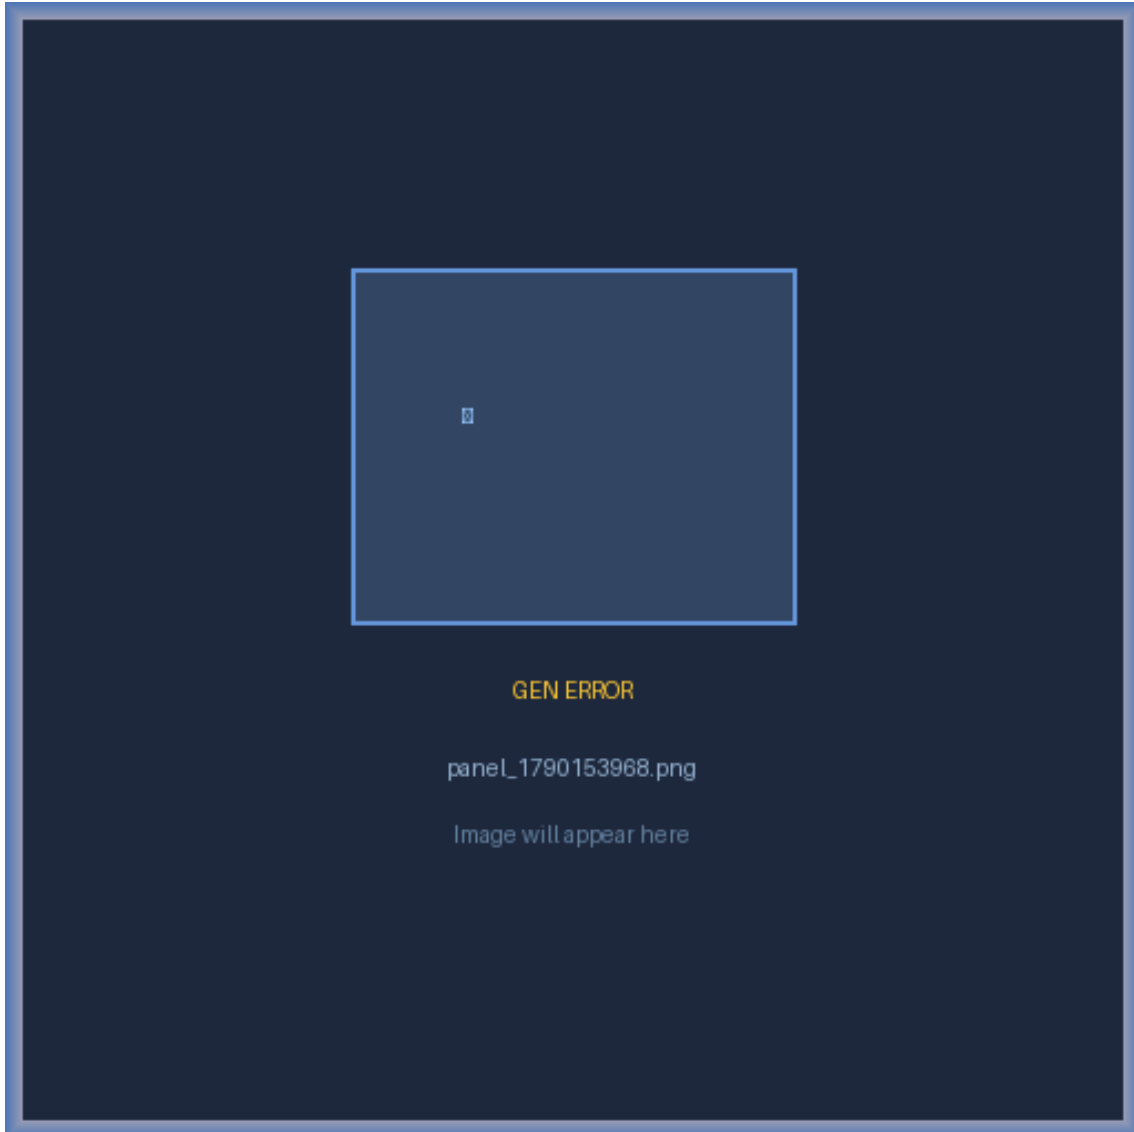

# Nature's Solution

*In the face of crisis, a true anime protagonist uses the environment to their advantage.*

"Leo: "Heh... Improvise. Adapt. Overcome! Man: 1, Nature: 0! You can't defeat genius!""

# Snack Time

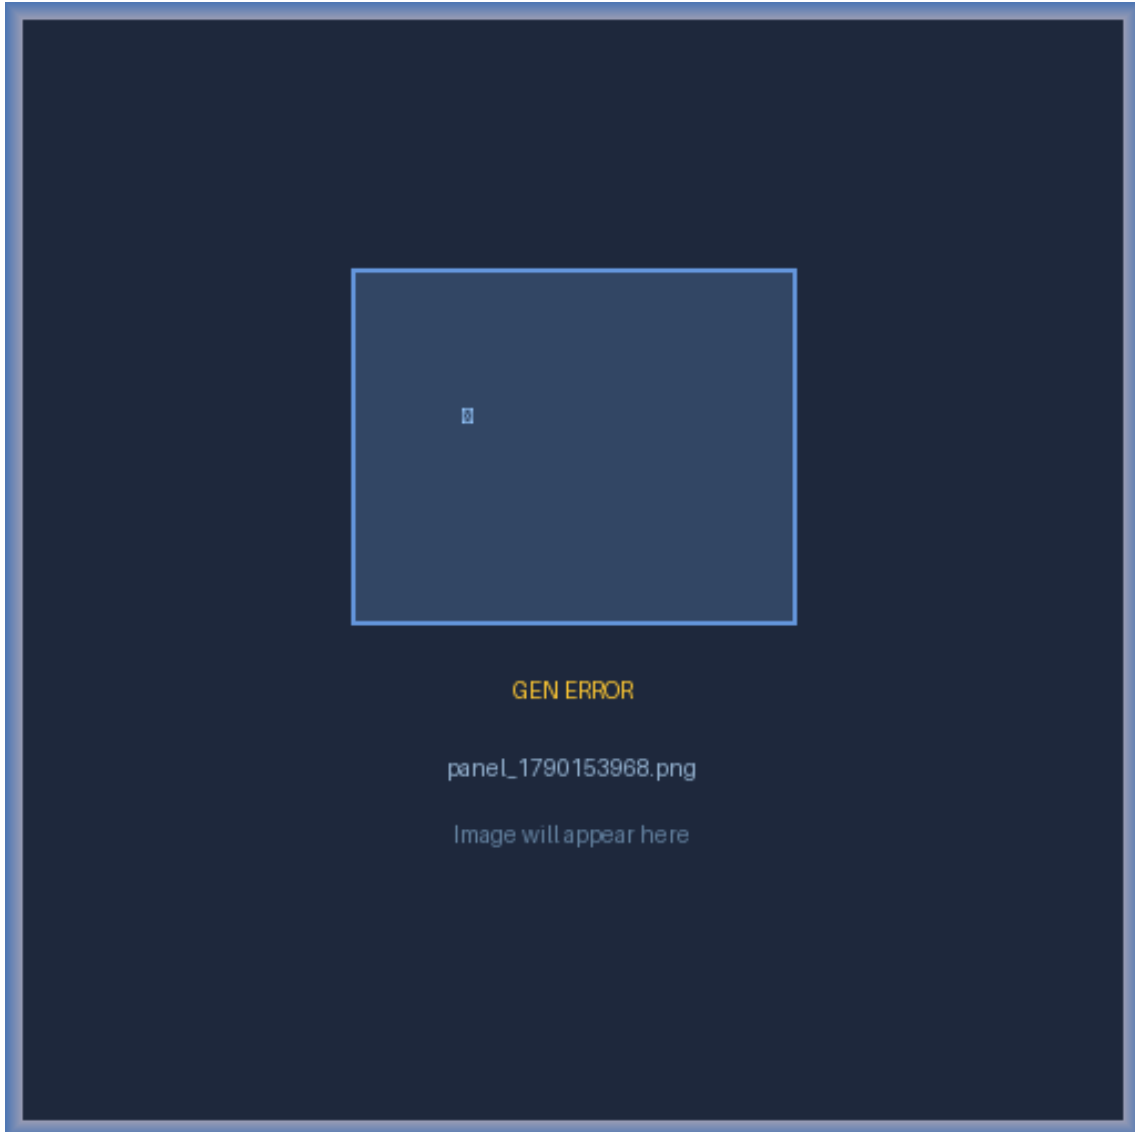

*Unfortunately, Leo's high-tech canopy was also considered a five-star delicacy in the amphibian community.*

"Frog: "\*GULP!\* ...Ribbit?"

Leo: "...My roof just got eaten.""

# If You Can't Beat 'Em...

*And so, Leo learned the ultimate lesson of the monsoon forest: inner peace begins when you stop fighting the mud.*

"Leo: "I am one with the puddle. The puddle is one with me. Ribbit.""
