

Whispers of the Clouds

They say the rains of the Whisperwood don't just wet the earth?they wake the ancient secrets sleeping beneath it.

"Leo: "Right on cue. Just a little further before the real storm hits...""

The Torrential Sanctuary

But the heavens open with a sudden, violent fury, forcing the young adventurer to seek immediate shelter.

"Leo: "*Pant, pant*... Whew! That was close. Wait... what are these glowing markings? They feel... alive.""

Guardian of the Deluge

The forest does not tolerate trespassers who seek shelter without paying their respects to the wild.

"Leo: "Whoa! You're... the guardian of this grove, aren't you? Fine then... I won't back down!""

Clash in the Downpour

To pass through the sacred rains, one must prove their resolve to the elemental forces of the forest.

"Leo: "I didn't come here to destroy! Let me prove my strength to you!

HRAAAH!""

The Path Unveiled

In the Whisperwood, courage is the ultimate key that unlocks the ancient path forward.

"Leo: "Haha! Wet, tired, but victorious... Thank you for the test, guardian.
The ruins await.""
