

Cruising the Coral Causeway

Nothing beats a weekend joyride over the open ocean. Just sun, sea breeze, and miles of clear blue highway!

"Mei: Woo-hoo! Next stop, Seagull Island! Time to crank up the speed!"

Smoke on the Water

Wait... is that black smoke on the horizon? In the middle of the ocean?!

"Mei: *SCREEEECH!* Whoa, whoa, WHOAH! Is that fire on the road?!
How is that even possible out here?!"

Ready for Action

Duty calls! Luckily, Mei never leaves home without her high-pressure Hydro-Dolphin 3000.

"Mei: (whispering) Hang on, ocean travelers... Firefighter Mei is on the scene! Prepare to get quenched, inferno!"

The Roadside Wok Master

The source of the blaze wasn't a terrible disaster at all?it was culinary genius at work.

"Baby Dragon: *FWOOSH!* Rawr! (Translation: Fresh wok noodles, coming right up!)

Mei: Huh?! A baby dragon... running a roadside noodle cart?!"

Spicy Pit Stop

Turns out, the best highway hazard you can encounter is a top-tier roadside snack break.

"Mei: *SLUUUURP!* Oh wow, this spicy ocean ramen is absolutely top tier!

Chef's kiss!

Baby Dragon: *Happy dragon chirp!*"
