

Whispers of the Path

Every step brings me closer, but time is running out. Aria's breath grows weaker with each passing sunset.

"Leo: "Hold on, Aria. The compass is glowing brighter... the sacred bloom must be just ahead.""

Leap of Faith

No canyon too wide, no obstacle too grand. A heart bound by a vow knows no fear.

"Leo: "I won't let this forest stop me! AAAHHH!""

Trial of the Heart

The ancient woods demand a test?not of steel or strength, but of the purity of one's intent.

"Leo: "I mean you no harm, Great Spirit. I seek the cure not for glory... but to save the life of the one I love.""

The Hidden Sanctuary

Recognizing a devotion that burned brighter than any blade, the guardian parted the wild veil to reveal the realm of miracles.

"Leo: "Incredible... the legends were true.""

Triumph of Devotion

With the Radiant Bloom cradled softly in his hands, hope blazed bright against the darkness. Love had forged a way through the impossible.

"Leo: "I found it, Aria... You're going to live.""
